

YEAR FIVE WEEKLY NEWS

Issue 6: 23rd October 2014

Dear Parents and Year 5 children,

All the teachers in Year 5 would like to thank all the parents for attending the Parent/Teacher sessions. It has been a great success and what has been particularly pleasing is the support and willingness shown by parents to assist in the learning taking place at school.

A big emphasis in Year 5 this year is the **reading**. It is vital that parents establish a routine for their child where they can read for a minimum of 20/30 mins a day. To assist this learning it is important that parents question their child (in depth) on what they are reading and occasionally listen to their child read.

Please see a recommended list of reading books below for Years 5 and 6.

Can I wish you all a very happy and safe holiday and we all look forward to seeing you back at school on the 2nd of November.

P.E. KITS

As always, please ensure your child always has a PE kit and swimming kit at school (even when they are not timetabled for P.E.).

Laptops and Devices: BYOD

Thank you to all those parents who have provided their children with devices to assist in their learning. The children are using a range of devices which are all suitable but the laptops are probably the best as they allow the children to use a variety of presentation programs.

Responding to parent emails

When contacting your child's class teacher please expect a response within 24 working hours. If your child has an emergency appointment during the school day or a change of pick up arrangements please inform **info_jps** rather than the class teacher. The admin staff will then inform the class teacher as to the relevant changes.

As you will appreciate a teachers day is a very busy one, teaching, marking and preparing for lessons, so any contact with parents is likely to be either before or after the school day. The children are our priority!

If you wish to contact your class teacher for a particular reason please ensure this is done so within the working week. Any emails received after 2:30pm on a Thursday afternoon or over the weekend will be responded to by the close of day on Sunday.

EARLY PICK OF CHILDREN

I wanted to pass this information on to you regarding a new policy in JPS for 'Early Pick Up'. Due to an increase to the number of children leaving school before the end of the school day, our Senior Leadership Team are will now be the only members of staff within JPS who can authorise permission to leave school early. This policy took effect on 25th September 2014 as highlighted in the school newsletter. Therefore, I or any teacher in Year 5, is unable to grant permission for your request. The procedure at JPS requires parents/careers to complete a 'Leave within the school day' requests form (attached). This is also found on the home page of www.jumeirahprimary.weebly.com.

This form needs to be completed and signed by a member of the Senior Leadership Team at least **24 hours ahead** of the early collection. The form must be accompanied by the appointment notification with the specialist. Doctors and Dentists who operate outside of school hours do not qualify as a reason to leave school. An emergency by its very nature will be the only exception to this rule.

Please note that children will not be sent down to reception until parents have arrived; this is in order to avoid situations which have recently occurred in which children have become upset whilst waiting for a parent at reception. This might mean you will need to plan an extra few minutes into your schedule on these occasions.

If you have any further queries please email our Assistant Head, Rachel Higgins rachel.h_jps@gemsedu.com

Many thanks....and enjoy your holiday

Pete Campion and the Year 5 Team
