

YEAR FIVE WEEKLY NEWS

Issue 13: 15th January 2015

Dear Parents and Year 5 children,

I hope you all enjoyed looking at the displays around the school. The school has once again created an amazing array of art work for the Art Festival. If you haven't had a chance to walk around the school, I suggest you find the time next week to do so.

The date has been reached for all forms to be in for the camp. Thank you for the response and most classes have nearly all children going. A final tally will be done shortly.

It has been decided that Years 5 A, B, C and G will go during the first part of the week and D, E and F in the second part of the week.

Homework is an important aspect of the school week and I would encourage parents to allow children to complete their work independently but to always be there to lend support and check their work.

As we will be doing a PowerPoint focus in our English lessons over the next 2 weeks, if possible, could your child bring a laptop to school during that time (of course, some are already doing this). If your child is unable to do so it is fine, we will manage with the school laptops.

Parents Evening will be held on the week beginning the 8th February. More details to follow.

A evening to meet with your child's Math teacher will also be held in (February), the week beginning the 22nd February. More details to follow.

Thank you

P.E. KITS

As always, please ensure your child always has a PE kit and swimming kit at school (even when they are not timetabled for P.E.).

IMPORTANT DATES/EVENTS/NOTES

Health and Hygiene Talk

The year 5 children (boys and girls separately) will be attend a talk with Dr. Maria **next week (week 3)**, to discuss issues around personal hygiene, development and growing. If you wish to view the slide show, I can forward it to you on request. Those not wishing their child to view the presentation should have returned a slip or emailed to confirm this. We have vetted the presentation and it has taken into account the cultural sensitivities/laws of the UAE and is totally appropriate in the school's opinion.

Homework Guidelines

As a general rule, children should be reading for between 20 and 30 minutes every night (where possible). It is also expected that children spend another 20 to 30 minutes doing their homework. If a child has finished their homework then the children should be working on an educational website/revision work/projects or something independent that will promote their learning. The amount of homework/type of homework/time needed for homework can vary from week to week.

Importantly, if a child has spent the allotted time on homework and still has not completed it, then the child should be allowed to stop. Parents should provide a note on the work to inform the teacher that time has been spent on the work but you have not been able to complete it. If you have any questions, please email me: PETER.C_JPS@gemsedu.com

Blogs

Please make sure you check your child's class blog weekly for pictures and videos of the children engaged in work and other activities. It provides a good platform for you to enquire about what your children are learning at school.

Term 2 Camp

Camp letters and information has now been distributed. The forms are also posted on the Year 5 blog.

Class Assemblies

Ms. Kaye 5C (Monday 2nd March)

Ms. Baseley 5D (Monday 16th March)

Mr. Champion 5F (Monday 23rd March)

ASAs – have begun.

ENGLISH OBJECTIVES: Term 2.1

BIOGRAPHY (weeks 1 and 2)

FOCUS: Write a **recount** in the form of a biography of a famous leader

GVP FOCUS:

- Using semi-colons
- Colons
- Dashes to mark boundaries between independent clauses

POWER POINT PRESENTATION

FOCUS: Create and present a **ppt** on a famous leader's life and legacy

GVP FOCUS:

Use and understand grammatical terminology e.g. verbs, adverbs, etc

MATHS OBJECTIVES: TERM 2.1

Multiplication and Division (weeks 1 and 2)

- multiply numbers up to 4 digits by a one- or two-digit number using a formal written method, including long multiplication for two-digit numbers
- multiply and divide numbers mentally drawing upon known facts
- divide numbers up to 4 digits by a one-digit number using the formal written method of short division and interpret remainders appropriately for the context

Fractions, Decimals and Percentages (weeks 3 and 4)

- compare and order fractions whose denominators are all multiples of the same number
- identify, name and write equivalent fractions of a given fraction, represented visually, including tenths and hundredths
- recognise mixed numbers and improper fractions and convert from one form to the other and write mathematical statements > 1 as a mixed number [for example, $2/5 + 4/5 = 6/5 = 1 \frac{1}{5}$].

Alex Rider series	Anthony Horowitz
My Story series	Various authors
Anne Frank: The Diary of a Young Girl	Ed. Otto H Frank
Boy Overboard	Morris Gleitzman
Sabriel	Garth Nix

Laptops and Devices: BYOD

Thank you to all those parents who have provided their children with devices to assist in their learning. The children are using a range of devices which are all suitable but **the laptops are the best** as they allow the children to type and to use a variety of presentation programs.

I will attach a document with specifics recommended by Gems Head Office for appropriate laptops in school.

Responding to parent emails

When contacting your child's class teacher please expect a response within 24 working hours. If your child has an emergency appointment during the school day or a change of pick up arrangements please inform **info_jps** rather than the class teacher. The admin staff will then inform the class teacher as to the relevant changes.

As you will appreciate a teachers day is a very busy one, teaching, marking and preparing for lessons, so any contact with parents is likely to be either before or after the school day. The children are our priority!

If you wish to contact your class teacher for a particular reason please ensure this is done so within the working week. Any emails received after 2:30pm on a Thursday afternoon or over the weekend will be responded to by the close of day on Sunday.

SCHOOL UNIFORM POLICY

Foundation Stage:

Uniform listed below except boys and girls wear JPS polo shirts and no ties.

Boys: Years 1 to 6

JPS shorts

White short sleeve shirt (JPS logo on pocket)

Short blue socks

Black shoes (trainers not acceptable)

Navy blue pullover + JPS logo

JPS blue tie

Girls: Years 1 to 6

White JPS blouse

JPS pinafore dress

Short white socks – these should be **plain white**

Navy blue tights

Black shoes (no heels. Trainers are not acceptable)

Navy blue cardigan + JPS logo

No nail varnish

No make-up

No jewellery, except for a small pair of stud earrings.

EARLY PICK OF CHILDREN

I wanted to pass this information on to you regarding a new policy in JPS for 'Early Pick Up'. Due to an increase to the number of children leaving school before the end of the school day, our Senior Leadership Team are will now be the only members of staff within JPS who can authorise permission to leave school early. This policy took effect on 25th September 2014 as highlighted in the school newsletter. Therefore, I or any teacher in Year 5, is unable to grant permission for your request. The procedure at JPS requires parents/careers to complete a 'Leave within the school day' requests form (attached). This is also found on the home page of www.jumeirahprimary.weebly.com .

This form needs to be completed and signed by a member of the Senior Leadership Team at least **24 hours ahead** of the early collection. The form must be accompanied by the appointment notification with the specialist. Doctors and Dentists who operate outside of school hours do not qualify as a reason to leave school. An emergency by its very nature will be the only exception to this rule.

Please note that children will not be sent down to reception until parents have arrived; this is in order to avoid situations which have recently occurred in which children have become upset whilst waiting for a parent at reception. This might mean you will need to plan an extra few minutes into your schedule on these occasions.

If you have any further queries please email our Assistant Head, Rachel Higgins
rachel.h_jps@gemsedu.com
