Strive For The Highest

Like A tiny seed that's planted in the soil of time
Nurtured and encouraged we found the strength to climb.
With hopes and aspirations we reach up to the sky.
Soon we'll stand tall and proud basking in the light.

Strive for the highest, always give our best.
Strive for the highest we're aiming for success.
No matter what the challenge we'll always find a way
So strive for the highest, every day

Together we are travelers on this winding road.
With many guiding lights they show which way to go.
We're thankful for the lessons we've learned along the way.
Now it's time to celebrate proud we're here today.

Strive for the highest, always give our best.
Strive for the highest we're aiming for success.
No matter what the challenge we'll always find a way
So strive for the highest, every day

So many have come before us. So many yet to come.
So much has been achieved, so much to be done.
And as we work together we're equal to the task
Building a legacy that will last.

Strive for the highest, always give our best.
Strive for the highest we're aiming for success.
No matter what the challenge we'll always find a way
So strive for the highest, strive for the highest, strive for the
highest every day!

When The Saints Go Marching In

Oh when the saints go marching in
Oh when the saints go marching in
Oh how I want to be in that number
When the saints go marching in

Oh when the stars refuse to shine
Oh when the stars refuse to shine
Oh how I want to be in that number
When the stars refuse to shine

Oh when I hear that trumpet sound
Oh when I hear that trumpet sound
Oh how I want to be in that number
When I hear that trumpet sound

Oh when the saints go marching in
Oh when the saints go marching in
Oh how I want to be in that number
When I hear that trumpet sound
